# THE MIRACLE & THE MESSAGE

**Read together, then circle the best answers!**

One day, Jesus traveled near a village. Ten men had a serious skin disease called leprosy. They had to stay far away from others.
The men called out, “Jesus, Master, have mercy on us!”
Jesus told them, “Go, show yourselves to the priests.” As they obeyed and walked away, all TEN were healed!
But only ONE man came back. He praised God and thanked Jesus.
Jesus asked, “Were there not ten cleansed? Where are the nine?”
Jesus told the grateful man that his faith had made him well.
